COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143 (6) (b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF UJVN LIMITED FOR THE YEAR ENDED 31 MARCH 2019.

The preparation of financial statements of UJVN Limited for the year ended 31 March 2019 in accordance with financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditor appointed by the Comptroller and Auditor General of India under Section 139 (5) of the Act is responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143 (10) of the Act. This is stated to have been done by them vide their Audit Report dated 26 August 2019.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of financial statements of UJVN Limited for the year ended 31 March 2019 under Section 143 (6) (a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6) (b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report.

**1- Profit and Loss Account**

**Other Expenses (Note no. 28) – ₹ 45.70 crore**

The above includes ₹ 1.02 crore on account of maintenance expenses of ERP Package which pertain to the financial year 2019-20 and included in the accounts as Current Liabilities.

This has resulted in overstatement of other expenses & Current Liabilities by ₹ 1.02 crore and understatement of profit by ₹ 1.02 crore.

**2- Assets**

**Non-Current Assets**

**Capital Work in Progress (Note No. 5)- ₹ 1485.08 crore**

The above includes ₹ 21.13 crore on account of CWIP related to the Bhaironghati Hydro Power Project. The project was discontinued as per Government of Uttarakhand (GoU) order dated 03 January 2011. GoU also directed UJVN Limited to claim the expenditure incurred on the project from Government of India through GoU. However, UJVN Limited had not

lodged the claim though eight years have already elapsed. The cost incurred for the above mentioned project should have been written off which has not been done.

This has resulted in overstatement of Profit as well as Capital Work in Progress by ₹ 21.13 crore.

### 3- Assets

#### **Intangible assets under development- (Note No-6) ₹ 25.00 crore**

The above does not include ₹ 0.54 crore on account of Consultancy paid / payable to a vendor for the implementation of ERP package. The ERP system was capitalized by the Company in October 2018, but the amount payable was not included in the capitalisation.

This has resulted in understatement of Intangible assets- ₹ 0.54 crore and understatement of Liability ₹ 0.30 crore (against work done) and retained earning- ₹ 0.24 crore (charged under O&M expenses in 2016-17 and 2017-18)

**For and on behalf of the  
Comptroller & Auditor General of India**
