**COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA  
UNDER SECTION 143 (6) (b) OF THE COMPANIES ACT, 2013 ON THE  
FINANCIAL STATEMENTS OF UJVN LIMITED FOR THE YEAR ENDED 31  
MARCH 2021.**

The preparation of financial statements of UJVN Limited for the year ended 31 March 2021 in accordance with financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditor appointed by the Comptroller and Auditor General of India under Section 139 (5) of the Act is responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under Section 143 (10) of the Act. This is stated to have been done by them vide their Audit Report dated 29 September 2021.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of financial statements of UJVN Limited for the year ended 31 March 2021 under Section 143 (6) (a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under Section 143(6) (b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report.

**Asset**

**Non-Current Assets**

**Other Non-current Assets (Note No.7)**

**Advance to contractor (Capital advance)- ₹ 195.56 crore**

1. The above includes ₹ 2.15 crore being the Mobilization Advance given to the contractor for construction of Pre-Engineered Multi Storey Corporate Office Building at Dehradun against the Bank Guarantee amounting to ₹ 2.94 crore. Due to not extending of validity period of Bank guarantee after 31 August 2020 by the contractor, UJVNL encashed the Bank Guarantee and recovered the advance of ₹ 2.15 crore. However, instead of adjusting recovered amount against the outstanding advance it has been shown as retention money. This resulted in overstatement of other Non-Current Assets (Capital Advance) as well as Current “Other Financial Liabilities” (retention Money) by ₹ 2.15 crore.

**Current Assets**

**Financial Assets**

**Trade receivable (Note no. 9)- ₹ 837.48 crore**

2. The above includes ₹ 3.62 crore being the amount of penal interest paid by the company on delayed payment of advance tax during 2015-16 to 2019-20 and same is shown recoverable from the Uttarakhand Power Corporation Limited (UPCL). The Uttarakhand Electricity Regulatory Commission (UERC) in its tariff order dated 26 April 2021 ordered that the Company was to recover only Income Tax paid and not the penal interest on delayed payment of Advance Tax.

This resulted in overstatement of Trade Receivable as well as Profit by ₹ 3.62 crore.

3. The above also includes ₹ 49.31 crore being the amount recoverable from UPCL (₹ 44.55 crore) and HPSEB (₹ 4.76 crore). UERC in its tariff order dated 26 April 2021 ordered the Company to refund ₹ 49.31 crore to respective entity in accordance with the provisions of UERC Tariff Regulations 2018 in twelve equal instalments starting from April 2021 to March 2022 (Trued up of 2019-2020). UERC further ordered the Company to recover ₹ 16.94 crore on account of truing up of MB-II for the financial year 2019-2020 from UPCL. The UPCL adjusted in 2020-21 accounts ₹ 27.61 crore (₹ 44.55 crore - ₹ 16.94 crore) from the amount payable to the Company but same was not accounted for in Company's accounts.

This resulted in overstatement of Trade Receivable as well as Profit by ₹ 32.37 crore (₹ 27.61 crore UPCL + ₹ 4.76 crore HPSEB).

**Current Liabilities**

**Financial Liabilities**

**Other Financial Liabilities (Note No. 17)- ₹ 433.18 crore**

4. The above does not include a sum of ₹ 66 lakh being the interest payable on the loan taken from UP Government amounting to ₹ 5.05 crore.

This resulted in understatement of Other Financial Liabilities "Current" and overstatement of Profit by ₹ 66 lakh.
